

How To Join A WebEx Webinar

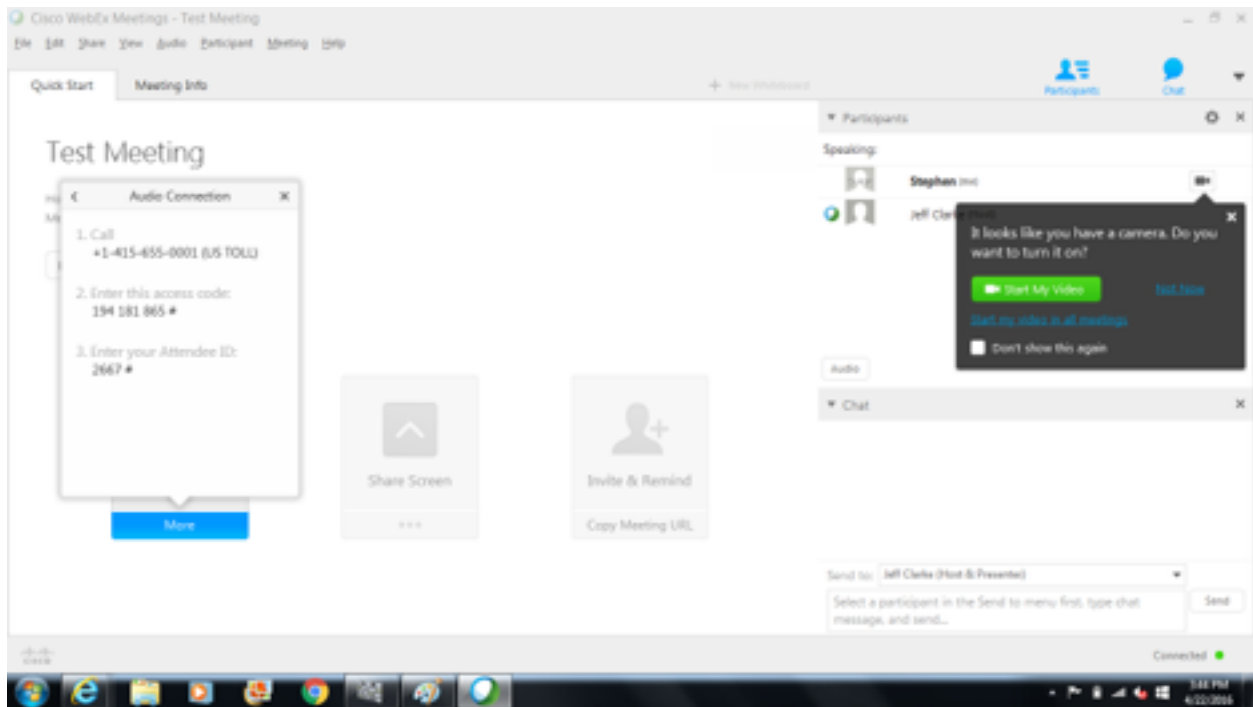

1. Click the link to the webinar and you will be taken to the webpage to join.

2. Enter your name and email address and click "Join As Guest".
3. You may be prompted to install the WebEx plugin.

4. Click Install. You may then be asked if you would like to allow this program to make changes to your system. You will need to allow the changes. The plugin will begin to load and you will see the progress display as it loads.
5. Once the webinar has loaded, you will see the three options near the middle of the screen. Click on the ellipses/more option under “I will call in”.
6. Click on “I Will Call In”

7. Dial the phone number displayed and follow the prompts on the phone entering the access code displayed and Attendee ID when prompted.
