July 12, 2021

My Brothers,

I would like to thank everyone for following my request to wear Face mask and gloves during the degree work conducted during the past two months.

I feel like the majority of the Brothers have had their Covid shots, I feel a change is warranted so, effective today, July 12, 2021, unless the Master of a Lodge requires the candidate or the conductor of the candidate to wear a mask and/or gloves, I will no longer require face mask or gloves to be worn by either the candidate or the conductor during degree work.

I ask you again to use common sense during Lodge meetings and Degree work to keep everyone safe.

Fraternally,

A handwritten signature in cursive script that reads "Ronald C. Mitchum".
