Dear Sam,

Thank you for the beautiful Washington portrait. From the moment you presented it, our students have shown great interest in George Washington. The portrait will, no doubt, continue to spark their curiosity causing them to ask questions and learn more about the formation of our government.

Please express our appreciation to all of the Masons who took time out from their busy schedules to take part in the presentation. It was such an impressive group, and we were honored to have them visit.

Thank you for all of your hard work over the past few months to provide this great gift to our current and future students. You were so kind to take the extra time to make sure that the wording beneath the portrait was accessible to our students who are blind.

Sincerely,

Katie Rice
